

9 MAR 1977

Dear Jane:

How kind of you to write and to enclose that clipping from Stars and Stripes. I know that you are enjoying being with your son in Germany and the two grandsons must be a special joy.

I am just starting my new assignment and especially appreciate the support and best wishes of friends. Thank you for yours.

Pat joins me in sending our best and we look forward to seeing you back here soon.

Yours,

STANSFIELD TURNER
